7. You will be redirected to the “accreditation page” shown in the following:

For safety reasons, please enter the random characters into the corresponding window, as indicated, then press Conferma to continue.
8. Data verification

Please, check that the data are correct and provide your e-mail address in the corresponding window to receive a confirmation of your payment, then press Conferma to continue.
9. Payment

You are asked to provide the following information:
- Type of card (Visa / MasterCard / American Express), Credit card number, Expiry date, the CVC2 (security code), the e-mail address of the card owner.

Press **Conferma** to complete the payment by credit card.
What is CVV2/CVC2?

For Visa and Mastercard, it is the last 3-digits on the back of the credit card, above the signature.

For American Express, it is 4-digits positioned in front of the card.
